G. Robert Gage
Beth Green
Tanya Manuali
Tasneem Meghji
Melissa Murphy
Cynthia Naughton
Linda Powers
Kim Puccia
Fitzgerald Ventura

Headmaster

Jean-Marc Juhel, Ph.D.

A note from Sean and Elaine . . .

We have come a long way since our first newsletter in June. Thanks to the generosity of those that have contributed and the 26 new families that have pledged, we are proud to inform you that "The Campaign for Leadership: A Promise for Tomorrow" has raised \$3,036,350 to date. This is an additional \$314,350 since June. As you can see, we have made terrific strides towards our goal of \$6 million.

- \$3,036,350 raised in pledges and gifts
- 64 families, individuals, and matching gift companies have pledged support and are listed on the back of this newsletter

We have also made progress on the construction side. The installation of air conditioning in the auditorium and dining room has been completed. This will be a welcome change for both students and parents next spring when the weather turns warm again. The east field renovation has begun. We expect to have a spectacular new baseball diamond by the beginning of the spring season thanks to the generosity of the Ushkevich-Zezulin family. Efforts continue with the Village of North Hills to attain permits for the playground, parking, fencing, renovation of the lower school classrooms and additional science labs. We hope to have permits in place sometime this year. Finally, \$141,000 has been pledged to the endowment.

As we all know, this year will go down as one of the most trying times in economic history. There is no doubt that raising the necessary funds to complete these projects will take more time than initially expected. We must admit that we have considered delaying the campaign. Each time, however, we meet another family that shows their support and passion for the future of our children. You have our promise that we are committed to this campaign and look forward to your continued support.

With great respect,

Sean and Elaine
